

## AGENDA AND PROGRAMME

### **Workshop on Programme of Activities under the Clean Development Mechanism: Challenges and the Road Ahead**

Organized by

**UNFCCC Secretariat**

**7-8 May 2011**

**Venue: Beethovenhalle, Wachsbleiche 16,  
53111 Bonn, Germany**

The summary of the recent public calls for inputs, available as Annex 7 to the annotations to the sixtieth meeting of the Executive Board, has identified the concerns and the barriers faced currently by the PoAs.

#### **Aim of the workshop:**

1. Analysis of the procedural and regulatory barriers and the issues identified in the call for public inputs for the PoA and identification and analysis of additional barriers and challenges.
2. Identify potential solutions to overcome the barriers with more emphasis on the options for way forward.
3. Provide advanced inputs to the work on further improvement in the regulatory framework in line with the directions provided by the Board in its sixtieth meeting (Annex 27 of the meeting report).
